Wednesday, January 14 - Hickey Automotive Continues To Lead Allison League

Morning Games – 3 ½ Happy Barbers & Hickey Automotive

After Monday's rainout, Hickey Automotive and 3 ½ Happy Barbers were excited to be back at the Chuck Catino Softball Complex on a brisk, beautiful morning. The Barbers came out swinging and scored five times in the first inning; more runs than they had in their entire last game. But Hickey slowly got their motors up to speed and, within a couple innings, were playing great defense and with solid & timely hitting secured themselves a 22 -11 win.

Hickey continued to drive their powerful team over the Barbers in game two 14-9. Barber pitcher Brian Kelley pulled off two double plays and rookie Tim Weldon hit one over the fence in the losing effort. Hickey manager Craig Jackson said that consistent defense by middle infielders John Cole and Jim Larson, combined with timely hitting, is resulting in their early team success. Hickey had a team batting average of .734 with Lu Smith, Ed Clark, and Harley Thompson hitting 15 for 17 combined. Jackson said, "It's so much fun to be on the bench and watch this team perform."

Afternoon Games – Premier Properties & Two Girls Pizzeria

The afternoon brought cooling winds but not enough to cool off the bats of Premier Property and Two Girls Pizzeria, who combined to score 53 runs in the double-header. The pizza boys were able to finally win the first battle 15-13 behind the perfect batting of Rich Malinowski, Rick Hoen, Jim Molson, and Perry Heath. Premier, playing with two teammates absent, made 5th inning surges in both games. Manager Jim Welsch was 4-for-4 and Jeff Hansen, Jim Brewer, and Bart Prieve all hit 3-for-4. Tom Trecker blasted another home run to go with his double and triple.

Rich Malinowski, Kelly Brown, Randy Denning, others

The pizza crew served up more than Premier could handle again in game two as they baked the Property gang 14 – 11. Perfect at-bats for Two Girls were Molson, Gary Peelman, Bob Charette, Craig Anderson, and rookie slugger Randy Drenning. Premier Property hitters Mike Hulse and Bart Prieve were both perfect from the batter's box and Jim Cassidy, Trecker, Brewer, and Hansen added 3-for-4. Jack Davis added a solo homerun in the 5th inning in the losing effort.
